

## FEBRUARY 2023 WORKSHOP PROJECTS—pg 1

**Saturday 11<sup>th</sup> February 2023 - 10am to 3pm**

**Mt Waverley Community Centre, Miller Cres., Mt Waverley**

Enquiries—please call Andrea on 0417 019 819

### A NEW YEAR BEGINS.....but PLEASE STILL adhere to the following:

- ♦ If you are **feeling unwell**, please **DO NOT** come to the Workshop
- ♦ Mask wearing is not mandated **but is recommended indoors**
- ♦ Please continue to use the hand sanitizer as needed
- ♦ Should **anything change we will send an email**, so please keep an eye out

### Spray Cans—set of 4 for \$5.00

Make a set of 4 spray can replicas with Jan. With the 3D printed cans and a variety of labels to choose from, your spray cans will look, almost, too real!!

#### TOOLS:

general tool box

silver permanent marker

assortment of different coloured permanent markers

### Domed Paperweights with UV Resin—\$2.50 for 3

**Karen B.** will show you how great UV resin can be in some miniature endeavours!

**UV resin will ONLY be supplied at the Workshop—**  
**there is NO UV resin, in the kit, to do this at home!**

You will need to attend the Workshop to do this project or you can purchase a mold (see below for pre-ordering a mold) plus you will need crystal clear, hard-set UV resin & a UV light/torch to make these domed paperweights at home.

Choose from a strip of printies with 3 different themes: *Galaxy designs; Mandala designs; and Millefiori designs* **OR** choose from an assortment of: tiny seashells; dried teeny-tiny flowers &/or polymer clay slices (*picture shows designs of: Galaxy, Mandala & Millefiori*)

**OR** you can bring your own photos or pictures that are no more than 6mm in diameter

Plus, small items that are no more than 6mm long/wide by 2mm high, can be embedded into the resin, such as: tiny charms or beads

**To pre-order your own silicone mold (makes 3) for an extra \$2.50, please contact Karen on: [khazbarr@gmail.com](mailto:khazbarr@gmail.com) by the 5th February 2023** (or if you have any questions)

#### TOOLS:

general tool box

pointed tweezers

**FACE MASK**—UV resin is “fumey”

sharp small paper scissors

surgical gloves (optional)

## FEBRUARY 2023 WORKSHOP PROJECTS—pg 2

### Saturday 11<sup>th</sup> February 2023 - 10am to 3pm

#### Sleigh Book Display—\$8.00

Join **Andrea** and build a small laser cut sleigh, paint and decorate it before filling it with books you will make from a selection of book covers.

##### TOOLS:

general tool box	craft knife with sharp blades	
glue stick	acrylic paint for sleigh	thick tacky glue

#### Christmas Sign and Decoration Display—\$8.00

**Andrea** will show you how to build a box with an interesting backing to hold an array of wooden signs and star-shaped hanging decorations.

##### TOOLS:

general toolbox	craft knife with sharp blade	sandpaper
black and gold paint	stain (pen)	brown texta
glue stick	tacky glue	PVA

**Bookings appreciated for both of these projects—please contact Andrea on: 0417 019 819 or email her at: [iacurrie62@gmail.com](mailto:iacurrie62@gmail.com)**

#### Fishbowl—\$8.00

Create a fabulous fishbowl with **Janine**.

Learn how to make a fish then complete the fishbowl to place it into!

Everything is supplied in the kit to complete this project—no special tools are needed.

##### TOOLS:

general tool box
