

# What's in your Shop?

**Cost \$100**

Join **Andrea** at the 2025 weekend retreat to build a **1/12th scale shop** of your choice. Create a home for all the miniatures you have collected or made over the years. With built-in shelving, a Perspex roof and large bay windows bringing in a flood of light, and two benches out front, this shop is perfect for displaying your wares at their maximum advantage.

Personalise your shop. Your chosen name will be engraved on your fascia sign board in either Copperplate or Broadway font.

Once you have ordered
