## *How to Create a Concrete Finish*

### **Large Pot Kit—\$5.00**

Debbie is going to show us how to create a concrete finish on a large planter pot (pots limited) - pot size: 1¼” across x 1 7/8” tall. *Great for out front of your mini shop!* Kit includes pot, greenery & plaster of Paris for the texture.

A limited selection of other small plastic items will be available. If “concreting” your own item, a gold coin donation for supplies—thanks.

#### **TOOLS:**

general tool box  
oasis if doing the pot kit  
gesso  
medium paint brush  
acrylic paint—your colour choice  
a chop stick or similar and something to stand it in, while you paint the pot

*This is a relatively quick project—just a bit of drying time for the plaster of Paris to set!*

## **Riding Crop—\$5.00**

Kathryn has created this unique riding crop with a carved wooden stick and a variety of 3D printed heads—a great addition to any equestrian scene, or.....

.....for a small additional cost there is a, “*secret saucy*”, extra piece for those who wish to add this with their crop?!?

#### **TOOLS:**

general tool box  
needle file  
stain  
craft knife or scalpel  
glue
